

Verlingue - preferred insurance partner of the **FWD**

Our partnership with **FWD**

The insurance market is toughening dramatically as a result of the Covid pandemic. FWD and Verlingue have partnered to help members control spiralling insurance costs and obtain the best risk and insurance solutions for their business.

Who we are

Verlingue are a leading UK Insurance Broker and Risk Management consultant with extensive expertise in the Wholesale sector. We help businesses control risk and reduce long terms insurance cost in their business whether they operate solely in the UK or internationally.

As part of one of Europe's leading insurance broking businesses, our buying power in the insurance market means that we are able access very competitive solutions which are supported by help from our own in-house risk management experts.

Services we can provide to **FWD** members

- Corporate Insurance programmes
- Ongoing risk management support and training
- Credit insurance to protect against bad debts
- Employee Benefits to help you recruit and retain key personnel

FWD members will benefit from an exclusive proposition

- Free up front advice and support on your insurance and risk management requirements.
- A solution which will include free risk management support and training from our in-house team.
- Annual claims reviews to spot trends early and help you tackle them.
- Free access to 3 of our training and risk management seminars per year.
- A transparent fee approach to our earnings which will reduce your IPT spending.
